- 3 Hello, everyone. I'm interested in Japanese food. What food do you like the best? Can you cook it? I asked you these questions last week. Thank you for answering. I made a graph of the answers.
Curry and rice is the most popular. More than ten students like curry and rice the best. Most of them can make it. We went camping in the mountains last summer. We enjoyed making and eating curry and rice there. It was delicious. I sometimes make it with my brother at home on Sundays. Ten students like sushi the best, but only two of them can make it. Japanese fried chicken called *karaage* is more popular than hamburgers. Seven students like *karaage* the best. Three of them can cook *karaage*. I like *karaage*, but I don't know how to cook it. Four students like *ramen* the best, and all of them can cook it. I have never made *ramen*. My brother likes it very much, so I want to make it for him. Thank you.
- 4 *Taku* : Look at this, Lisa.
Lisa : The one about volunteers?
Taku : Yes. They need volunteers to read Japanese books to children at the city library from 10 : 30 to 12 : 00 on Sundays. I want to do it. How about you?
Lisa : It's easy for me to read English books, but I can't read Japanese books very well
Taku : Don't worry. Your Japanese is good. Let's practice reading the books on Saturdays together.
Lisa : OK, Taku.

5 Hello, everyone. I'm Aoki Rie. I'm fifteen. Do you have a dream? What do you want to be in the future? I'll tell you about my dream.

My dream is to be a pianist. I have played the piano since I was three. I practice in my room for two hours every day. My sister sometimes practices with me.

I have a friend who lives in America. She plays the piano, too. We sometimes talk about the piano. I want to learn the piano in America in the future, so I study English hard every day. I think music makes us happy. I hope people will be happy with my piano. Thank you.

Question 1 : How long has Rie played the piano?

Question 2 : What does Rie do to learn the piano in America?

Mother : Can you wash the dishes after that? I have to take Amy to the hospital.

Tom : Sure. Is she sick?

Mother : Yes, she is. We will be back in two hours.

Tom : What should I eat for dinner, Mom?

Mother : Well I don't have time to cook dinner today. I will buy something to eat.

Mother : Yes. Thank you. You can cook spaghetti well. There is some pudding in the refrigerator.

Tom : Wow! I like pudding.

Mother : Well Don't eat the pudding today. I made it for your grandmother. She will come tomorrow evening. You may eat it with her then.

Tom : OK.

Mother : I will buy a cake. Let's eat it after dinner.

Mother : Don't worry. I think she will get well soon and eat the cake.
